

MEMORANDUM

To: Board of Regents
From: Board Office
Subject: Student Appeal
Date: November 4, 2002

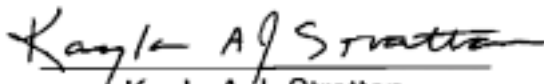

Recommended Action:

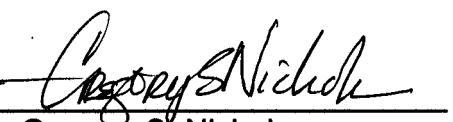

Affirm the university's decision to remand the case for a new hearing.

Executive Summary:

Board members have a packet of confidential materials related to an appeal by a student—appealing a decision regarding a student disciplinary hearing. A review of the materials submitted by the student and by the university suggests that the university's decision should be affirmed.

It is recommended that the Board, based on the record before it, affirm the decision of the university.
